My Next Move for Veterans www.mynextmove.org/vets/ My Next Move for Veterans is designed for U.S. veterans who are current job seekers. The interactive tool helps vets learn about their career options. The site has tasks, skills, salary information, job listings, and more for over 900 different careers. Veterans can find careers through keyword search; by browsing industries that employ different types of workers; or by discovering civilian careers that are similar to their job in the military. Veterans can also take advantage of the O*NET Interest Profiler, a tool that offers personalized career suggestions based on a person's interests and work experience.

Get Job Skills: Elevate America Veterans www.microsoft.com/veterans Microsoft is proud to help veterans and their spouses successfully transition from the military to civilian employment. Veterans and their eligible spouses can take advantage of resources including: technology skills training and certification, job placement, career counseling and other support services such as childcare, transportation and housing to help in their successful transition to civilian life. Veteran's and their spouses can request vouchers for the following training: Microsoft Office Specialist – eLearning, IT Technical Professional – eLearning.

AmVets www.amvets.org AMVETS is one of the nation's foremost veteran's service organizations (VSOs). It stands as a strong and influential advocate for America's veterans on important issues such as employment and training, mandatory funding for government-provided health care and other benefits to which they are entitled. Membership in AMVETS is open to anyone who is currently serving, or has honorably served, in the U.S. Armed Forces from World War II to present, to include those in the National Guard and Reserves.

PERSONS WITH DISABILITIES EMPLOYMENT RESOURCES

Job Accommodation Network www.askjan.org JAN helps people with disabilities enhance their employability, and shows employers how to capitalize on the value and talent that people with disabilities add to the workplace.

Getting Hired.com www.gettinghired.com This portal has incorporated several unique free services designed to help people with disabilities prepare for the work place and build their careers. The social networking

medium offers individuals a platform to connect with each other and career mentors. Job seekers will find opportunities posted by employers who expressly use the portal through paid annual subscriptions to hire them. The portal identifies and highlights individual skills, talents and backgrounds. No person will be asked to disclose a disability anywhere on the GettingHired portal. The RightMatch technology matches individual qualifications to specific job requirements facilitating employment success.

Hire Disability Solutions www.hireds.com Hire Disability Solutions aims to promote inclusion into the mainstream employment world. Since its inception in 2004, Hire Disability Solutions has established itself as a national leader in protecting and enhancing employment opportunities for individuals with disabilities. Through its educational campaigns surrounding employment law, education opportunities, and assistive technology, the company facilitates the success of individuals with disabilities and employers alike. For more information, call 1-800-238-5373.

Ability Jobs (Job Access) www.abilityjobs.com The goal of ABILITYJobs and JobAccess is to enable people with disabilities to enhance their professional lives by providing a dedicated system for finding employment. By posting job opportunities, or searching resumes, employers can find qualified persons with disabilities as well as demonstrate their affirmative action and open door policies.
